INTRODUCTION

KW Group is a highly experienced, independent consultancy specializing in supporting economic development, FDI, trade, investment, and market access for clients in both the public and private sectors. With a strong focus on the Asia-Pacific region and headquarters in Malaysia, we have been serving clients since 2010. Our expertise spans a wide range of areas including economic development, investment promotion, trade, policy, research, strategy, capacity building, and market access.

Annually we work with over 100 international businesses, governments, multilateral agencies, donors, investors and trade organizations to deliver successful projects in the Asia-Pacific region. Our extensive networks with regulators, donors, investment promotion agencies, economic development organizations, governments, investor, and business communities help us to facilitate investment and drive growth for our clients.

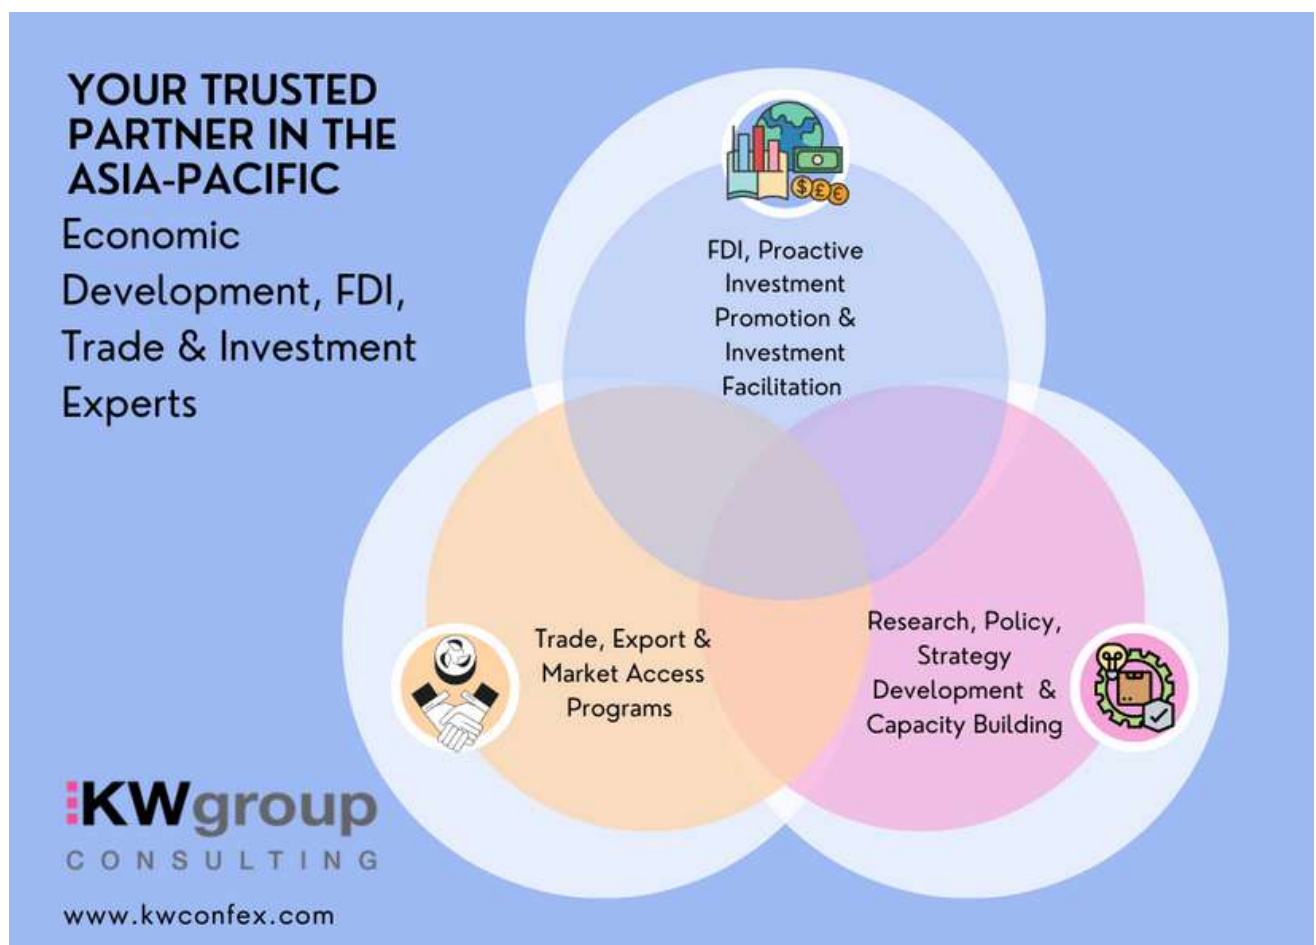

ANDREW KEABLE

MANAGING DIRECTOR

Unlocking the Opportunities of the Asian Century: Your Trusted Partner in the Asia-Pacific

KW Group is an Asia Pacific consultancy established in 2010 that specializes in foreign direct investment, export development, and strategic advisory services. The company offers market research and analysis, investment facilitation, project management, and business strategy development. KW Group's expertise in foreign direct investment helps clients identify investment opportunities, navigate regulatory landscapes, and expand business operations. Export development is another focus area, with KW Group identifying export opportunities, developing market entry strategies, and providing support throughout the export process. KW Group's strategic advisory services include business strategy development, risk management, and market analysis, with tailored solutions that address clients' specific needs. With a team of experienced consultants and a deep understanding of the local market, KW Group is well-placed to help businesses succeed in the highly competitive Asia Pacific region.

"We delivered over \$19M USD in ASEAN export sales for a US State Government client in 2021-2022 in a new region."

Committed to UN Sustainable Development Goals

KW Group is committed to the UN Sustainable Development Goals and is actively engaged in inclusive trade, gender equality, and climate action through proactive programs. International trade can drive economic growth and poverty reduction, but it can also exacerbate inequality. KW Group promotes fair trade practices, supports SMEs, and encourages sustainable business practices to ensure that trade benefits everyone, especially marginalized communities. The company recognizes the pervasive gender-based discrimination and inequality and is committed to promoting gender equality in the workplace, supply chain, and community engagement. KW Group empowers women through education, training, and leadership development programs. The company acknowledges the urgent need to reduce greenhouse gas emissions and transition to a low-carbon economy to address climate change. KW Group invests in renewable energy, reduces waste and emissions, and supports climate action initiatives to reduce its carbon footprint. Overall, KW Group's commitment to sustainability, inclusivity, and social responsibility reflects its values. By focusing on inclusive trade, gender equality, and climate action, the company works towards a more sustainable and equitable future for all.

WAIPA APPOINTS KW GROUP AS A REGIONAL ADVISOR TO SUPPORT, EMPOWER AND ADVOCATE IPAs IN ASIA PACIFIC

Enhancing Trade Capacity Across Asia

WAIPA APPOINTS KW GROUP AS REGIONAL ADVISOR, ASIA PACIFIC

The World Association of Investment Promotion Agencies (WAIPA) has announced the appointment of Malaysia-based KW Group as Regional Advisors, Asia Pacific to support WAIPA Asia Pacific members and related WAIPA capacity development activities in support of the region's investment promotion agencies (IPAs).

"WAIPA is delighted to appoint KW Group as Regional Advisors for Asia Pacific to support our global objective to promote and develop understanding and cooperation amongst the world's investment promotion agencies and to advocate government support for the work of IPAs and recognition of their role in stimulating economic development."

KW Group is based in Malaysia and their Asia focus of networks and experience in supporting inbound and outbound FDI, Trade & Investment will be a huge support for WAIPA to allow us to serve the region's investment promotion agencies through a dedicated regional partnership allowing us to accelerate WAIPA global initiatives and to stimulate economic development."

**Ismail Ersahin, Executive Director,
World Association of Investment
Promotion Agencies**

KW Group, has recently initiated a Memorandum of Understanding (MOU) between the United Nations Economic and Social Commission for Asia and the Pacific (UN ESCAP) and the World Association of Investment Promotion Agencies (WAIPA). The purpose of this MOU is to promote foreign direct investment (FDI), trade, and investment in the Asia-Pacific region.

As a result of this MOU, KW Group has formed a strategic partnership with UN ESCAP's APAC Trade, Investment, and Innovation Week, which took place from February 21-24, 2023, in Bangkok. This partnership will enable KW Group to contribute to the development of investment promotion programs, leadership, and capacity building initiatives in the region.

KW Group's collaboration with UN ESCAP extends across several key areas related to the UN Sustainable Development Goals, including inclusive trade, gender equality, and climate-focused FDI training and development. By working together, KW Group and UN ESCAP aim to promote sustainable investment and trade practices that benefit both the region's economy and its communities.

Atlantic Canada Chamber of Commerce

Connecting Atlantic Canadian Exporters to New Asian Markets

KW Group are the appointed Regional ASEAN Partner for Atlantic Canada Chamber of Commerce to support the Asia Market Development Program.

The Asia Market Development Program (AMDP) is a powerful advisory and consultation program that is helping Atlantic Canada exporters expand their presence and grow sales in new industry sectors and countries in Asia. The program provides exporters with in-market expertise and networks to quickly identify opportunity and connect with qualified customers. Each company works with a professional trade development consultant, based in Asia, to design a market-entry or market expansion strategy specifically tailored to each company's requirements.

In a matter of months, you can go from wondering where to begin developing sales in Asia, to meeting with potential customers or sales agents. If you have considered exploring new sales to Japan, South Korea, or any of the 10 ASEAN nations, the AMDP will leverage your resources with market information and strategies for establishing new business relationships in the identified Asian countries.

We are responsible for:

- Market access strategy and consulting for AMDP exporters
- Sourcing distributors, partners & business development strategy
- Supporting development of key sector networks in the region
- Marketing of AMDP in the ASEAN region with Government Commercial Offices, Associations and Business Councils
- Development of Sector Networks
